SUNFLOWER TRIP PVT. LTD.

ABOUT US

Founded on August 4, 2019 in Burdwan, West Bengal, Sunflower Trip began with a vision to transform travel into unforgettable experiences. Officially incorporated in 2021 under the Ministry of Corporate Affairs, and now headquarter in Kolkata, we proudly operate under our brand name—Sunflower Trip.

What started with three passionate individuals has grown into one of India's most trusted travel companies. Guided by founders Mr. Banti Haque and Director Mr. Biswajit Das, we offer a complete range of services—from domestic and international tours to visa, passport, and customized travel solutions.

Our logo tells our story: ten sunflower petals for the ten directions, a magnifying glass with a location pin symbolizing discovery, and a stem rooted in purpose. From families and honeymooners to solo travellers and corporate groups, we serve every kind of explorer with transparency, care, and creativity. After Durga Puja 2023, we expanded significantly into international travel, offering group departures, tailored itineraries, and end-to-end assistance.

Today, in 2025, Sunflower Trip is more than a travel agency—we're storytellers, memory-makers, and your trusted guide to the world. Wherever you dream of going, we'll take you there -
